

“Where are you sleeping tonight?”

We asked that question last year, especially as the winter approached. We are still asking it this year as we work hard to get our doors open for this winter. It's a good question to ask ourselves as we see what we have compared to those in need. We know that for the homeless and trafficked people we serve, the question about where to sleep is a daily one.

Construction has started on our building and will soon be in full swing. Even without the shelter open, we're doing all we can with our REACH teams and strategic partners to help those vulnerable people in our county. We anticipate opening our doors when the cold weather begins this year and we need your help.

Our Annual Gala is November 2 and we are looking for event sponsors. This event is our premiere fundraiser and in its inaugural year raised \$27,000. Our goal is to double attendance and surpass last year's proceeds. We have three sponsor levels available and each comes with seating and promotion for you and your company. Securing your sponsorship early means we can offer you the most promotional opportunities available. Please complete the sponsorship form today and mail to us or complete your sponsorship online at portagehaven.org. If you would like to sponsor our Annual Gala in another way, please give me a call to talk about ideas and ways to help.

We are grateful for your support of The Haven of Portage County. Your contribution is a demonstration of your dedication to and an investment in the Portage County communities.

Sincerely,

Anne Marie Noble
Executive Director

The Haven of Portage County is a rescue mission and warming center in Portage County that addresses each stage of homelessness and provides holistic healing through the power of the gospel. Our vision is creating a rescue mission in Portage County that addresses every stage of homelessness and trafficking recovery through holistic healing in the name of Jesus Christ. The physical project is building a rescue mission and warming center on 10 acres off SR 59 between Kent and Ravenna. We have begun renovations and anticipate opening our doors when the cold weather begins.

Thank you for helping The Haven of Portage County help the vulnerable in our community through your support and sponsorship.
